Retirement Village Information Statement

Retirement Villages Act 1986, section 19
Retirement Village Regulations 2026, regulations 11-12

This form is approved by the Director, Consumer Affairs Victoria under section 19 of the *Retirement Villages Act 1986.* All retirement village information statements must be in this form.

What is a Retirement Village Information Statement?

Every retirement village in Victoria must provide it in the same standardised format. Prospective residents can use information statements to compare retirement villages on a like-for-like basis.

It is designed to provide prospective residents information to make an informed decision about whether to move into this village. It covers the costs of entering, living in and leaving; the services and facilities available; and important details about how the village operates.

Information statements must be updated at least every 12 months and as soon as possible after any change to the information provided.

How to access information statements for different villages?

Every retirement village must publish their information statement on their village's website.

The operator of a retirement village must also provide the information statement:

- at the request of a prospective resident within seven days,
- with any targeted promotional material, and
- at least 21 days before a resident enters into a residence or management contract in respect of the village.

Navigating the information statement

Part A: Village-level information	Provides information about the village and operator including about any owners corporation, types of contracts and tenure, village facilities and services, the number and types of residential premises, future developments, security and emergency assistance systems, insurance arrangements, financial management, residents committee and village rules.
Part B: Village fees and charges	Provides information on fees and charges to be paid on entry, while living in the village, and when you leave.

Attachments to the information statement provide:

- A list of village services and facilities with associated fees (Attachment 1)
- Details of village insurance information (Attachment 2)
- A glossary of fees to help prospective residents understand the terms used throughout the statement (Attachment 3).

Finding more information

Other documents and information are available to help inform prospective residents. Operators must provide the following documents to prospective residents at least 21 days before entering into a management contract:

- a draft residence contract and management contract for the village
- the village by-laws and a document under which a resident agrees to observe the by-laws, and promises to pay an entry payment or a recurring charge for the provision of goods or services by the operator
- financial statements as presented at the most recent annual meeting of the residents.

Prospective residents may also wish to ask for information on the specific fees and charges for a residence they are considering in an easy to understand form. A suggested form for this purpose can be found on the Consumer Affairs Victoria website www.consumer.vic.gov.au.

Understanding the financial commitment

Entering a retirement village is a significant financial decision.

The financial structure of retirement village living is different from conventional home ownership or renting, and the net financial outcome can vary significantly depending on the length of stay and the terms of contracts. It is important that residents understand how the costs interact and what they will ultimately receive when they permanently depart the village.

Before signing any contract, you are strongly encouraged to read all documents carefully, ask questions of the operator, and seek advice from an independent financial adviser to ensure you have a full understanding of your financial obligations and entitlements.

Where can prospective residents get help or more information?

If prospective residents need help understanding this statement or want more details about retirement village living in Victoria, they can contact Consumer Affairs Victoria for information and assistance by visiting www.consumer.vic.gov.au or calling 1300 55 81 81.

Operators must provide the following documents to prospective residents at least 21 days before entering into a management contract:

- a draft residence contract and management contract for the village
- the village by-laws and a document under which a resident agrees to observe the by-laws, and promises to pay an entry payment or a recurring charge for the provision of goods or services by the operator
- financial statements as presented at the most recent annual meeting of the residents.

Attachment 3: Glossary of fees

Capital maintenance fund contribution: A portion of resident payments is set aside by the operator into a dedicated fund for future major repairs and maintenance of village infrastructure. The operator determines the required portion.

Contract check fee: The annual contract check, which summarises fees and exit position, must be provided free. An on-demand check is also free where the resident gives 28 or more days written notice of intention to leave.

Deferred management fee: A fee payable on exit, as a contribution toward the cost of services provided to the resident during their time in the village. It is calculated as a percentage of the entry payment, accruing daily based on length of residence. It cannot be charged where the resident leaves during the settling-in period or moves to another unit within the same village.

Entry payment: The main upfront payment for the right to live in the village. It may be a lump sum or fixed instalments. It may be fully or partly refunded when you leave (a repayable entry payment) or it may be non-refundable. It does not include rent, maintenance charges or optional service fees.

Exit entitlement: The amount paid back to the resident on exit. For non-owner residents, it starts with the repayable entry payment. For owner residents, it starts with the sale price of the unit. Any fees, outstanding charges and other deductible amounts are subtracted to give the final figure.

Holding deposit: A payment to reserve a specific unit before a residence contract is signed. It falls outside the standard entry payment rules and is regulated under the Sale of Land Act 1962 instead.

Maintenance charge: A regular fee, usually weekly, fortnightly or monthly, covering village management, staff, facilities and common areas. It is capped each year in line with the all groups Consumer Price Index (CPI) for Melbourne in original terms published by the Australian Bureau of Statistics;and can only exceed that cap if residents approve a higher amount by special resolution.

Optional services charge: A fee for extra services a resident elects to use, such as meals or personal care, that are not part of the standard village offering. These charges cease on vacation of the premises or on the resident's death.

Owners corporation fee (owner residents only): Where the village has an owners corporation, owner residents pay a separate fee covering common property upkeep and insurance. This is in addition to the maintenance charge.

Rates and taxes: Government charges such as council rates and land tax on the village land. These may be passed on through the maintenance charge or charged separately, as set out in the contract.

Reinstatement costs (non-owner residents): non-owner residents must return the unit reasonably clean and in the same condition as when they moved in, allowing for fair wear and tear. Where this has not occurred, the operator may issue a written notice specifying the required works and their estimated cost. If not disputed within 21 days, the operator may carry out the works and charge the resident the reasonable cost.

Rent (non-owner residents): Some non-owner residents pay ongoing rent for the right to occupy their unit, in place of or in addition to an entry payment. Rent is treated separately from entry payments under the legislation.

Special levy: A one-off charge for unexpected major expenses. No more than one special levy may be charged in any 12-month period, and only where required by law, approved by residents by special resolution, or covered by the contract.

Utility charges: Charges for electricity, gas and water consumed by the resident. The method of calculation varies between villages and is set out in the contract.

Waiting list fee: A fee charged to join the village waiting list. It may or may not be refundable. The operator is required to state in the information statement whether a waiting list fee applies and whether it is refundable on entry.

Certain sections of the cover provided by the policy are provided on a claims made and notified basis. This means that they only cover claims made against you and notified in writing to Chubb during the period of insurance. The Insurance Contracts Act 1984 (Cth) (**Act**) provides that where an insured gives notice in writing to the insurer of facts that might give rise to a claim against the insured as soon as reasonably practicable after the insured became aware of those facts the insurer is not relieved of liability under the policy in respect of the claim, when made, solely by reason that the claim is made after expiry of the policy. This is a right which arises solely under the Act and not under the insurance contract. However, the right does not arise unless the notice in writing is given before the policy expires and we may refuse to pay any subsequent claim, despite the events giving rise to it or the circumstances alleged in it may have taken place during the Policy Period.

Duty of Disclosure

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

What you do not need to tell us

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Group Policy Endorsement (including Company)

This endorsement varies the standard terms of your policy. It may expand, reduce, or impose additional conditions on your cover as set out in the standard policy terms and should be read carefully.

By way of endorsement to the **Policy**, the parties agree as follows (subject otherwise to all other terms, conditions, limits of liability and exclusions of the **Policy**):

It is agreed that:

1. The Policy is amended by adding the following section:

   28. How This Group Policy Works

   The **Company** has entered into the **Policy** with the **Insurer** for which it pays the **Insurer** an agreed premium. The Insurer provides the **Named Insured Members** with cover under the **Policy**.

   The insurance cover is subject to the terms, conditions, limitations and exclusions set out in this **Policy**.

   The **Company** must ensure that a copy of this **Policy** is available to each **Named Insured Member**. The **Company** must also inform you on the Limits of Liability, **Policy Period** and Pending or Prior Dates, as contained in the Schedules. The **Insurer** does not need to provide any notices in relation to this insurance to **Named Insured Members**. The **Insurer** only send notices to the **Company** which is the only entity to which the **Insurer** has contractual obligations under the **Policy**.

   A **Named Insured Member's** cover under this **Policy** is solely by reason of the statutory operation of Section 48 of the Insurance Contracts Act 1984 (Cth). **Named Insured Members** are not contracting insureds (e.g. they cannot cancel or vary the Policy - only the **Company** can do this) and do not enter into any agreement with the **Insurer**.

   A **Named Insured Member's** access to cover:

   (a) begins from the time the relevant entity meets all of the criteria specified in the definition of **Named Insured Member** and becomes a **Named Insured Member**; and

   (b) ends at the earliest of the following events, unless otherwise permitted under Section 7. Reporting:

      (i) when the relevant entity no longer meets the criteria specified in the definition of **Named Insured Member**; or

      (ii) at the end of the Policy Period; or

      (iii) when the Policy is cancelled by the **Insurer** or the **Company**.

©2025 Chubb Insurance Australia Limited. Chubb®, its logos, and Chubb.Insured.℠ are protected trademarks of Chubb.

Named Insured Members are not obliged to accept any of the benefits of this insurance. If a **Named Insured Member** makes a claim under the **Policy** then such person will have the same obligations to the **Insurer** as if they were the **Company** and the **Insurer** will have the same rights against the **Named Insured Members** as we would have against the **Company**.

Any person who may be eligible for cover under the **Policy** should consider obtaining advice as to whether the benefits are appropriate or useful from a person who is licensed to give such advice. No advice is provided by the **Insurer** or the **Company** that the benefits are appropriate or useful for any **Named Insured Member's** own circumstances or needs. Nothing prevents such persons from entering into other arrangements regarding insurance.

Neither the **Insurer** nor the **Company** hold anything on trust for, or for the benefit or on behalf of, **Named Insured Members** under this insurance arrangement. The **Company** does not act on behalf of the **Insurer** or a **Named Insured Member** in relation to the insurance and is not authorised to provide any financial product advice, recommendations or opinions about the insurance and does not receive any remuneration or other benefits from the **Insurer**.

2. Section 2. Definitions, is amended by deleting 2.4 **Company**, in its entirety and replacing it with the following:

   Company:

   (a) with respect to any **Liability Coverage Section**: means the organisation shown in Item 1. of the Declarations.

   (b) With respect to any **Non-Liability Coverage Section:** means the **Organisation** who has suffered the loss.

3. Section 2. Definitions, is amended by deleting 2.20 **Organisation**, in its entirety and replacing it with the following:

   Organisation means:

   (a) the **Company** and any **Subsidiary** of the **Company**; or

   (b) the **Named Insured Member** and any **Subsidiary** of the **Named Insured Member**.

4. Section 2. Definitions, is amended by adding the following:

   Named Insured Member means the entity shown in the Named Insured Member Endorsement.

5. Section 2. Definitions, is amended by deleting 2.10 **Event**, in its entirety and replacing it with the following:

   Event means:

   (a) the **Named Insured Member** merging into or consolidating with another organisation such that the **Named Insured Member** becomes a subsidiary of the other organisation;

   (b) another organisation acquiring the business or assets of the **Named Insured Member**; or

   (c) another organisation or person or group of organisations or persons acting in concert, acquiring control of the composition of the **Named Insured Member's** board, being in a position to cast, or control the casting of more than fifty percent (50%) of the maximum number of votes that might be cast at a general meeting of the **Named Insured Member** or holding more than fifty percent (50%) of the issued share capital of the **Named Insured Member** (excluding any part of that issued share capital that carries no right to participate beyond a specified amount in a distribution

of either profits or capital).

6. Section 13. Conversion of Coverage, is deleted in its entirety and replaced with the following

   If, during the **Policy Period**, an **Event** occurs, then coverage under this **Policy** shall, for the **Organisation** for whom the Event has occurred only, with respect to:

   (a) any **Liability Coverage Section**: continue until the expiration of this **Policy**, but only with respect to **Claims** for **Wrongful Acts** occurring prior to, and **Formal Investigations** into conduct occurring prior to such **Event**; and

   (b) the **Non-Liability Coverage Sections**: terminate.

   Where the **Organisation's** board of directors at the time of the **Event** remains in control after the **Event** for an interim period and then resign, coverage shall continue with respect to **Claims** for **Wrongful Acts** occurring prior to, and **Formal Investigations** into conduct occurring prior to, the resignation of such board.

   The **Organisation** shall give written notice of such **Event** to the **Insurer** as soon as practicable, but in no event later than sixty (60) days, after the date of such **Event** together with such information as the **Insurer** may require. Upon receipt of such notice and information and at the request of the **Organisation**, the **Insurer** will provide to the **Organisation** a quotation for an extension of coverage for a period of up to eighty-four (84) months for **Claims** for **Wrongful Acts** occurring prior to and **Formal Investigations** into conduct occurring prior to, such **Event**. Any coverage extension pursuant to such quotation shall be subject to such additional or different terms and conditions and limitation of coverage and the payment of such additional premium as the **Insurer**, in its sole discretion, may require. Payment of the additional premium due for any coverage extension purchased under this section must be received by the **Insurer** within thirty (30) days following the acceptance by the **Organisation** of a quotation by the **Insurer**.

   Any extension of cover purchased by the **Organisation** pursuant to this section shall commence at the expiration of the cover provided for in (a) above.

   If an extension of cover is purchased pursuant to this section then the entire premium paid shall be deemed fully earned as of the coverage extension and such extension cannot be cancelled or amended by the **Insureds** or the **Insurer**.

In all other respects this **Policy** remains unaltered.

This Endorsement has been signed by or on behalf of Chubb Insurance Australia Limited this 24th day of April 2026.
